

OAK HABITAT restoration

protect your way of life.

Technical and Financial Assistance Available

THE USDA NATURAL RESOURCES CONSERVATION SERVICE IS YOUR LOCAL RESOURCE FOR INNOVATIVE CONSERVATION SOLUTIONS TO IMPROVE THE LAND AND PROTECT YOUR WAY OF LIFE.

NRCS offers technical and financial assistance to private landowners and producers interested in preserving natural resources on the land. Assistance may be available to help you implement the following conservation activities on your oak woodland:

- Pre-commercial thinning
- Brush control
- Native grass seeding
- Wildlife Habitat Improvement
- Grazing Management
- Fence
- Water Facility/Pipeline

Contact your local NRCS field office to learn more about how NRCS may benefit you and your land.
